Dear Colonel Henderson:

His Excellency has on several occasions visited the Bart House, which is being given by the Massey Estate, for various men's activities, and has manifested a great deal of interest in the work that was going on during the war in this building. We have been informed by Mr. Vincent Massey that the building will be ready for occupation in August, so that we hope to have it in use during the next winter session. We are arranging for a formal opening of the building and are particularly anxious to have His Excellency present on that occasion, if he will be kind enough to do us this favour. As far as we can see at present the most suitable days are Wednesday, Thursday and Friday, October first, second and third. Would you be kind enough to ask His Excellency whether he would be willing formally to open the building for us, and if so, whether any of those dates would suit him?

I may add that we hope to have a special military Convocation about the same time, and to give a number of honorary degrees to men who have taken some prominent part in the war. We have already offered the honorary D.D. to General Sir Arthur Currie, and naturally we hope that he may be able to come and receive the degree in person. If he should be here at the same time we might combine the functions.

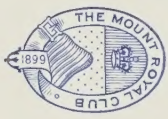

With kind regards, I am, yours sincerely,
Lt.-Colonel Henderson.

Dear Colonel Henderson:

At a meeting of the Board of Governors held yesterday I stated that it would be impossible for his Excellency to be in Toronto during the first week of October, but that in all probability he could come for the first week of November. Would you be kind enough to ask his Excellency whether this would suit him in his plans, and if so, would he be good enough to call on me at his house?

With kind regards, I am,

Dear Sir Robert Falconer,

I delayed replying to your letter of May 9th until I had seen His Excellency on his return from Toronto. I had hoped that in the meantime he would have had a chance of talking to you on the question himself.

His Excellency now directs me to say that he will be pleased to come to Toronto for the purpose of opening Hart House, but I am to urge upon you that he does not desire to do so earlier than November 10th.

Yours sincerely,

Dear Colonel Henderson:

Many thanks for your letter with regard to the visit of His Excellency to open the Hart House. I am sorry that I did not know His Excellency was in the city until it was too late for us to call upon him. I will keep in mind that His Excellency cannot conveniently visit Toronto before the 10th November.

Yours sincerely,

Resident.
